

The Sawgrass Readers is a group of Forest Hills ladies who meet at 2 p.m. one Monday of each month, at a date determined in advance, throughout the year (excluding July and August) to discuss selected reading materials, enjoy light refreshments and get to know their neighbors.

Each member has the opportunity to propose their book of choice, host a meeting, and lead the discussion group if they so desire. The only requirements are a love of reading and the hope that when attending a meeting the book of choice has been read and opinions, pro or con, will be offered. We know that not everyone is able to attend every meeting due to travel schedules but we look forward to seeing you when you can be with us. Attendance runs between eight and twelve members each month, which are good numbers for lively discussion!

The Leach Library supplies a maximum of twelve copies of the selected book each month for our members who wish to use this facility. The loan period is four weeks, with a \$1/day penalty for overdue books, as copies are supplied by lending libraries throughout the State.
